

SENATOR HALL: The amendment is not adopted. The call is raised. Next item on the bill, Mr. Clerk.

ASSISTANT CLERK: Mr. President, Senator Beutler would move to amend with AM2264, that's in the Journal on page 2294.

SENATOR HALL: Senator Beutler, you're recognized to open on your amendment.

SENATOR BEUTLER: Senator Hall, members of the Legislature, I think I've said everything important that at least I thought was important that needed to be said. The other amendments are minor in nature and also a kill motion; but, obviously, there's no interest in a kill motion and so I think that I've gone on long enough on this particular bill. I will find out more and learn to make the arguments better because obviously I'm not very persuasive today, but I thank you for taking the time to listen. I withdraw the amendment and all subsequent amendments and motions.

SENATOR HALL: Thank you, Senator Beutler. They are withdrawn. Anything further on the bill, Mr. Clerk?

ASSISTANT CLERK: Mr. President, I have nothing further on the bill.

SENATOR HALL: Senator Will, you're recognized.

SENATOR WILL: Mr. President, I would move the advancement of LB 505 to E & R for engrossment.

SENATOR HALL: The motion is debatable. Senator Robinson, your light is on. Waives off. Senator Will, your light is on. He waives off. You've heard the motion. All in favor say aye. A machine vote has been requested on the motion to advance. All those in favor vote aye, opposed nay.

SENATOR WILL: I would ask for a call of the house.

SENATOR HALL: Senator Will has requested a call of the house. The question is shall the house go under call? All in favor vote aye, opposed nay. Record, Mr. Clerk.

ASSISTANT CLERK: 22 ayes, 0 nays to go under call.
